Discussion on whether or not to push back the meeting time - it was decided to keep it at the same time and same place. However, the times when a speaker will be attending, we will have the meeting outdoors. Remember to bring a jacket, the patio is located on the east side of the building and gets chilly.

REMINDER: Message from Nancy Gough
Hi All, Please remember that we're having our tack swap for the next meeting! Exciting to be able to swap, barter or buy good stuff you need and make \$\$ on stuff you no longer need. I will be calling you soon to remind you of the sale/swap. We'll park our vehicles on the East side of the parking lot by the book shop etc. which are closed at that time of day. I suggest you have stuff that is clean, and tagged with a price or a suggested price and is negotiable. Lay it out on your pickup bed or the back of your SUV or trunk, atop a blanket so it looks nice...then remember you don't really want to take it home!! Hopefully you will find a home for your stuff and find stuff you need! Call me for info -Bye, N

IRS - out status has been revoked. Bill Fleming, as well as Jackie Dunn will find out what the club needs to do to remedy this status.

Reminder: Word of mouth about the club is the best way to get new members.

Brainstorming occurred at the meeting - everyone was asked to put down ideas of what they would like to see happen in the club and for the club. Very enlightening - read more in President's corner.

Handed out the first door prizes - Jackie Dunn and Sara Pike won - any donations for prizes will be greatly appreciated - a limit of \$10 value for any donated item.

President's Corner

We had a wonderful brainstorming idea session at the June meeting. Thanks to everyone for the great ideas!

The list of ideas will be available as a hand out at the July meeting. One idea that kept coming up was being involved in a cattle roundup. So, if anyone knows a rancher that would be willing to allow us as a club to help with his fall cattle roundup please let us know.

Due to the weather cancellation of the May meeting we've moved the Tack Swap and Budget Horse-keeping Discussion to the upcoming July meeting.

Charlotte has volunteered to provide handouts on equine first aid (how to make kits, etc. or whatever she chooses to do) and lead the discussion on that subject at the August meeting. Thank you Charlotte!

If you as a member schedule a ride/event/clinic or handle the scheduling of a speaker or provide information for/lead a discussion of an equine related subject at a meeting your name will be put in for a drawing at the end of the our mustang club year (April 2012) for a special surprise (gift certificate, grooming bucket, or something nice that is equine related). We are hoping that this will be a great incentive to get everyone participating. See ya at the July meeting!
